

Main theme for January:

evaluation + action

This is a year of Service. Service of self,
as well as service to others and our planet.
It is also a year of Action.

Do it now. Clean it up. Get off your behind and finally have what you always wanted, and do all those things you have only been dreaming of. In order to take advantage of what wants to happen this month, you will need to be ruthless in your Evaluation and disciplined in your Action. Ruthless evaluation will clear the way for action and bring clarity to any confusion about what you really want to manifest.

EVALUATE:

- WHAT WORKS/WHAT DOESN'T
- WHO YOU SPEND TIME WITH
- ARE YOU DOING THE THINGS YOU LOVE?
- ARE YOU TAKING CARE OF YOUR MIND + BODY?

TAKE ACTION:

- IMPLEMENT DISCIPLINE TO CHANGE YOUR TIME MANAGEMENT TO SERVE YOU BETTER.
- MAKE CHOICES FROM YOUR HEART & WHAT FEELS RIGHT FOR YOU.
